WILLIE WIGGLES

Copy the templates. You can print the apple template on construction paper or have the children color the apple, but not the hole. Color all the other pieces. Cut out all the patterns. Glue the two leaves on either side of the stem. Glue the worm on the X on the apple.

APPLE PRINTS

Cut apples in half. Have the children dip the apples in red, yellow and green paint. Make apple prints on white construction paper. The prints aren't always clear so you may want to try putting a towel under the paper before the child paints. This sometimes works better.

SONGS AND FINGERPLAYS

CLIMBING UP THE APPLE TREE

Climbing up the apple tree, (climb in place)
Swinging on a limb! (Raise arms above head, away left and right)
If I hear a robin, I may (cup hand near ear)
Sing along with him! (sing tra la la)
'And Robin, if you fly away, (Put hands over eyes)
Here's what I think I'll do: (Point with index finger)
I'll wish a pair of sparrow wings (gently flap arms at side and move around)
And fly away with you!
